

TEKKN1®

Set / Zestaw TEKKN1 SKAST

Data sheet / Karta produktu

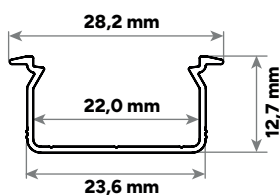

EN

Wide recessed LED profile for installation in milled openings. Designed for two parallel LED strips and for creating a wider, uniform line of light.

PL

Szeroki profil LED wpuszczany do montażu w wyfrezowanych otworach. Przeznaczony do instalacji dwóch równolegle ułożonych taśm LED i tworzenia szerszej, równomiernej linii światła.
